

ENTREVISTA EM INGLÊS PARTE 1

Uma das fases mais importantes durante o processo seletivo em uma companhia aérea é a avaliação de idiomas, realizado com frequência para que a empresa avalie o nível de fluência do comissário(a) de voo.

No mercado da aviação, as empresas estão cada vez mais exigentes na hora de contratar seus comissários(as). E, o domínio do **inglês** tem sido um importante critério de seleção nas empresas, ou seja, em meio a dezenas de candidatos com a mesma qualificação, ter um excelente domínio da língua inglesa pode ser seu grande diferencial.

Muitas empresas têm, inclusive, optado por fazerem a entrevista de inglês no início do processo seletivo. E para uma entrevista de emprego, apenas falar não basta, é preciso falar muito bem.

O seu vocabulário em uma entrevista em inglês deve ser tão sofisticado quanto o seu vocabulário em português.
